A huge **THANK YOU** to all our neighbors and friends who have given and continue to give of their time and hard work to make our Del Prado home, one to be proud of.

Without these humanitarian people, our Del Prado homes, architecture and landscape would begin looking old and ill kept. Our clubhouse would become dirty and unready for our family gatherings, etc. Our pool would stay locked and suffer from no safety enforcement. Our Del Prado bank account could be ill managed, perhaps leaving, we the home owners, in serious financial stress. There would be no one to welcome newcomers to our community. Our RV lot would have no rule enforcement and could become very chaotic.

But, thanks to the people who step up and agree to work together (and they work hard), we have homes and a neighborhood that is beautiful, well run, and safe and friendly.

Included here is a list of names. I sincerely hope that we all show our appreciation and gratitude to the people who fill positions that oft times are thankless jobs.

These beautiful people care about all of us. Please say Thank You.
